Hotel Accommodations:

- Hotel must be no less than (3) Three-star quality
- Room must include complimentary Wi-Fi connection
- Room must have two double beds, unless otherwise pre-approved

Technical/Equipment:

- The venue's sound system should be set up and ready for sound-check upon Matt's arrival to the venue
- Regarding piano / keyboard, the only requirements are the following:
 - In the case of a keyboard, must be 88-keys with weighted action, and must have a stand and a sustain pedal
 - In the case of a piano, must be fully functioning, and must be tuned the day of the performance and at least once the week prior to performance
- Keyboard, unless performing on a grand piano, requires at least one ¼ inch cable for a mono set-up, or two ¼ inch cables for stereo set-up
- Please provide a boom-style microphone stand with one high quality microphone; such as: Shure SM58, Beta 58, Audix OM5, OM7 or quality equivalent.
- Speak with agent for technical details if outside event, festival-style event or other performance-type than the standard solo engagement

Hospitality:

- (1) One box of protein bars
- Ample bottles of water
- Hot water and decaffeinated teas
